**LOVE RECORD STORES 2021 RELEASES SATURDAY 4.9.21**

**LOVE RECORD STORES**

**4TH SEPT 2021**

Saturday September 4th see the return of this year's Love Record Stores Event.

This is made with a range of special new editions of some of favourite titles – whether it be a different coloured vinyl / picture disc / deluxe edition or simply available again for the first time in ages.

Sadly not all of these titles will be available on time for Saturday 4th September so those running behind will be available to pre-order on Saturday on a first-come first-served basis

All the items that we're taking for the event are listed below – check out [lovereordstores.com](http://lovereordstores.com) for more info.

### **RULES OF THE DAY**

- Every item is available on a first come first served basis and limited to one per person. We can't take advanced orders for anything or reserve things for people.
- We'll be open at 10am on the Saturday (September 4th).
- We don't put the LRS stock out on the racks in the shop, we keep it all behind the counter so just come and ask for what you're after.
- We are able to sell these titles mailorder / reserve stock from **9PM** on the same day, so if there's anything you are after but can't make it to us on Saturday then it's definitely worth sending an **email to [info@spillersrecords.com](mailto:info@spillersrecords.com) (Please put LRS 2021 reservations / mailorder as your title!)** as anything we have left at close of play Saturday will be up for grabs.
