VARIOUS ARTISTS // American Patchwork (Mississippi Records)

Performances documented by Alan Lomax during his final American field recording project, newly remastered and all previously unreleased on vinyl! This set brings together the standout recordings Lomax made in his attempt to document the last vestiges of the "local surround" in Mississippi, Appalachia, and Louisiana. Intimate performances by R.L. Burnside, Tommy Jarrell, Boyd Rivers, Napoleon Strickland and many more form a rich tapestry of distinctly American musical traditions.
