GEORGIA RUTH Kingfisher EP (Bubblewrap)

Pink and White Marled 12" EP + MP3 £19.99 / CD out now £6.99

JANA HORN The Window Is The Dream (No Quarter)

For her second record, Horn travelled to upstate New York to record with a few musical touchstones in mind: the electro-primitivism of the Silver Apples, austere rhythm kings This Heat and The Raincoats' time-bending Odysshape, however the resulting 10 songs are an entry into a world which is very much her own.

CD £11.99 / 180g LP £24.99

JOEY BADA\$\$ 2000

CD £12.99 / 2LP £31.99

JOSEPHINE FOSTER Domestic Sphere (Fire Records)

Josephine Foster performs solely with her electric guitar and then subverts the usual range of her voice to embody other frequencies and sounds beyond the surface layer of the songs. She communes so completely with every sound on the record, with the past and the future, animals and insects and birds, those so tenderly dead, and those of us who are alive.

CD £11.99 / LP + MP3 £21.99
