PENNY RIMBAUD & KATE SHORTT SKernschmelze III – Concerto For Improvised Cello

Rimbaud supplies electronic backing to the sonic wizardry of cellist Kate Shortt. Translated from the German, “kernschmelze” means “meltdown”, generally nuclear. However, it can also mean “the process or state of irreversible breakdown or decline” which, in the context of this recording, Penny Rimbaud sees as the catastrophic social effects of

Covid-19 through punitive politicisation.
