LONDON BREW London Brew

Comprised of a veritable who's who of some of the most important and innovative musicians of the 21st century, London Brew features contributions from Benji B, Theon Cross, Nubya Garcia, Shabaka Hutchings, Dave Okumu, Tom Skinner and more, brought together by Producer and guitarist Martin Terefe and Executive Producer Bruce Lampcov. Recorded in December 2020 at Paul Epworth's Church Studios in London, Terefe explains how the resulting music is ""sometimes uncomfortable, other times it's familiar and joyous and other times it's like deep meditation.

SATELLITES Satellites

Shimmers between traditional Turkish folk and instrumentation, ethereal psychedelic guitar leads and groovy dance-floor baselines. The resulting concoction of songs draws on cross continental influence yet at its core is a desire to illuminate the vivid qualities of classic Turkish music, honouring the Anatolian folk and psych artists from this golden era of music.

Repress Indies Exclusive Red LP £22.99

SHADOWGRAPHS Shadowgraphs

Written and recorded in the shadow of the global pandemic and the social justice movements that sprung up in its wake, the album finds the band grappling with the changing world and their place in it.

CD £11.99

SPENCER CULLUM Spencer Cullum Coin Collection 2

Yuma Abe provides fractured, low-register chorus vocals, while Dana Gavanski provides beautiful harmony lines. Despite the number of collaborators and players (also including Rich Ruth, Erin Rae, and Caitlin Rose) things never seem too crowded or brimming with too many ideas. Instead Cullum marshals each moving party expertly.
