ANIMAL COLLECTIVE Defeat (Domino Records)

This 22-minute Animal Collective epic is an unapologetic ode to perseverance and hope, to 'staying grounded like the spruce' when the very land seems to shift beneath us. Recorded in three phases by Russell Elevado (D'Angelo, Alicia Keys, Al Green) in the analogue wonderland of The Bunker, 'Defeat' springs from that hurdy-gurdy haze into a pop explosion, suggesting fight music for our shared future.
