CHOUK BWA & THE ANGSTRÖMERS Somanti (Bongo Joe Records)

A brand-new album that digs again into Haitian vodou and electronic experimentations. Between two concert series, they took the opportunity to record their live set. The connection between the well-preserved vodou tradition on one hand, and analog electronics on the other hand, gets deeper and deeper, with also a kind of rage due to the incredible difficulty of the world. The musical result is wild and full of twists and blasts.
